RYDE ASSOCIATION.

This Association played its fourth round on Saturday. Results were as follows:—

A Grade.

Hornsby 8 v Concord Red 0.
Gladesville 3 v West Ryde 3.
Carlingford 6 v Concord Blue 0.
Ryde 9 v Roseville 1.

C Grade.

Gladesville 1 v Drummoyne 1.
Hornsby 1 v Concord 0.
West Ryde 4 v Ryde 0.

There were no surprises in the A Grade, although Gladesville did well to hold West Ryde down to a 3-all draw.

West Ryde's defeat of Ryde in the C Grade was somewhat of a shock. The Ryde boys did well until twenty minutes from time, after which they fell to pieces.

Drummoyne are improving as evidenced by their draw with Gladesville.

All matches in this district will be suspended on Saturday owing to the rep. match Ryde District v Canterbury District. The following have been selected to represent the locals:—Goal, T. Williamson (Carlingford); backs, T. Glen (Ryde), V. Wright (West Ryde); halves, A. Fowler (West Ryde), Hansaker (Concord Blue), A. Taylor (Hornsby); forwards, G. Rose (Carlingford), A. Cook (Hornsby), W. Bellamy (Carlingford, Captain), A. McAlpine (Hornsby), J. Watkin (Hornsby). Reserves: Crawford (Concord), Bevan (Carlingford), Davidsor (Concord Blues), and Martin (Carlingford).

The competition tables are as follows:—

QUEENSLAND COMING.

The Queensland tour of New South Wales commences at Newcastle next Saturday, and the itinerary is most comprehensive, the bananalanders visiting Newcastle, Sydney, Wollongong, Granville and Maitland. A right royal welcome is assured the visitors, for the Queenslanders enjoy a reputation for hospitality, and we must in return make every effort to make their stay as pleasant and as enjoyable as possible. The party will comprise sixteen players, and a manager, and New South Welshmen will be afforded a unique opportunity of making a comparison of the style and play of our own players with the style of our Northern friends, and the wearers of the Maple Leaf. For the whole of the Queensland players will be available for selection in the test matches on the 23rd and the 28th of this month, and on the 23rd of June, the test match, New South Wales versus Queensland will be staged as early match to the third Test match, Canada v Australia. In some quarters it may be urged that the International and Interstate programme for Sydney especially is becoming too full, and certainly that is a phase that must be watched carefully. The value of these visits are, however, incalculable, because interest is awakened throughout the whole sporting world by the visit of representative sides to this State, and people flock to see our big games, to see the best team in action, who in the ordinary way never witness football matches.

The manager of the Queensland team is Mr. J. Hildreth, the well-known and popular Hon. Treasurer of the Queensland F. A. Association.

GOLDEN GOALS.

Fame Made by Lucky Shots.

Goals cause the thrills in football. Have you ever noticed the crowd swaying as forwards advance, battle with defenders, and wind up with a shot that sends the ball whizzing into the rigging? Then the tension is broken, and the crowd gives vent to a mighty roar of "Goal!" The goal may have been debatable. Perhaps someone was offside. But the excitement the actual scoring of the point engenders is the thrill of Soccer. The scoring of a goal may not only mean two points but perhaps a stage further in the fight for the Challenge Cup championship honors, promotion, or the avoidance of relegation.

David Jack, Bolton Wanderers' sharpshooter, scored 7 goals in Cup Ties last season. They were worth close on £7000 to his club in the Final alone. It was a goal scored by Dinmock that won the Cup for the Spurs in 1921. The following season a penalty goal decided the issue between Huddersfield Town and Preston North End.

How valuable goals are in League warfare has been proved over and over again. Chelsea has had one or two experiences of the fight against descent into the second division. In the season 1909-10 they were fighting with the energy of despair. The last match of the season was to decide the question, and that match was with the Spurs. Both clubs had bought new players to get goals. Strangely enough, in the hunt for sharpshooters, Chelsea had sold one of their players, Percy Humphries, to Tottenham. In this vital match both teams fought their hardest, and in the end the Spurs triumphed by a single goal. Defeat was bad enough, as Chelsea had to "go down," but it was made more galling by the fact that the man who scored the winning goal was their old player.

Arbroath holds the Soccer record for the scoring of the most goals in one match, namely, 36 against Bon Accord. Preston North End held the English re-

Adamstown played their first match on headquarters' ground, and succeeded in putting it over Weston by three goals to two. The wind was very strong, and very cold, and only a fair attendance were present to witness the contest.

Weston were the first to score as a result of Wigham's header. Austin had a hot time in stopping shots by Adamstown forwards. Russell, however, managed to get one through and made the scores equal.

In the second half, Coates gathered a left wing cross and cut in and beat Austin with a hot shot. The lead was however shortlived. McCroary received from Richardson, and with a trimmer, which gave Smith no chance, equalised. Both teams now strove for a goal, but it was nearly full time before Bailey sent well into the centre, and Bush and Russell between them contrived to send the ball into the net. Adamstown thus won by 3 goals to 2.

Austin's showing in goals on the last two visits to the Tramway have shown that he is the Bobby of old.

In the early game Islington received their knock out at the hands of West Wallsend in the Richardson Cup replay. Another of the Coates' family plays right wing. Harold, a brother of Georges Coates, of Adamstown Seniors, plays outside right for Teralba.

Charlie James is one of Westy star juniors, and can play in any position. He plays in goal for the Under 18, who have gone through their division undefeated.

WESTY DEFEAT NEW LAMBTON.

West Wallsend and New Lambton Seniors met for the first time on Saturday at New Lambton in the Ellis Cup.

New Lambton were, up to Saturday, unbeaten, and it was left to the "blues" to stop their victorious career.

New Lambton won the toss and set Westy to face a very strong wind and also the sun in their faces.

From the outset New Lambton attacked, but failed to get past the full backs, H. Maunders and

H. Muir, who defended well.

West Wallsend scored first, Mc-Lauchlan securing a pass from Sinclair; his shot for goal struck D. Morgan, and went towards Jordan, the New Lambton goalie. Ross, who was having his first game at centre for the "Blues," flew at the ball and just got there in the nick of time, and netted to the jubilation of West Wallsend supporters.

In the second half it looked like a certainty for Westy, for they had the advantage of the wind. McLauchlan was kept busy, and from one of his centres Sinclair cleverly beat Jordan with a shot in the corner. New Lambton livened, and Jack Stewart and McAlister gained ground, but Davies, at centre, was having an off day, and nullified their good efforts. Coolahan was playing good football, and repeatedly beat Spruce and Boundy. Coates sent some fine crosses over and combined well with Brown.

There were no further scores, and New Lambton suffered their first defeat—2 to nil. "Snowy" Lewis was the star defender for the losers, and played a very fine game. In the forward line, McAlister was the best.

Jack Coutts, West Wallsend goalie, never had to kick or handle the ball once during the game, only to place for the goal kick.

The work of "Bunny" Muir and H. Maunders was very fine. F. Coolahan played brilliant at right half, and C. Coutts defended well. McLauchlan was the best forward.

The attendance constituted a record for a Soccer match at New Lambton, and the committee hope to secure a good sum.

STATE CHAMPIONSHIPS.

Monday, June 9th, was a red-letter day at the Tramway Ground, as three games were decided, and in each case the odd goal decided the issue.

SWANSEA v. JESMOND.

The first game started at 11.30 between Swansea and Jesmond, in the Richardson Cup. At full time both sides had failed to score, and extra time was ordered; in the first term Lewis, after a nice piece

of play, succeeded in getting a goal, which was the only score of the match.

E. Crittendel, Swansea centre half, was injured, and had to leave the field.

GARDINER CUP.

Adamstown met Neath in the Gardiner Cup. Alan Dunne took H. John's place in Adamstown's team.

Adamstown won the toss, and G. Coates received from Stewart, and taking well down the wing shot hard into goal, the ball entering the corner of the net. This reverse stirred Neath. From a free Stoker sent to Maloney, who centred, and Strang and Beddow both went for the ball, but Auld secured and put into the net, making the score 1 all.

Adamstown attacked, and Sternbeck was applauded for a brilliant save from A. Cameron. Before half-time E. Bush gave Adamstown the lead, after Rennix had failed to get the ball away.

In the second half Adamstown should have added to their score, as Russell missed several good chances. There was no further score. M. Sternbeck, goalkeeper for Neath, was really first class, and at the conclusion received a great ovation.

The game was set apart as a benefit for John Parsons, New Lambton's skipper, who was badly injured in a motor smash at Muswellbrook some months ago.

CESSNOCK v. WALLSEND

The star attraction was Cessnock and Wallsend in the Gardiner Cup. Durie won the toss from R. Irwin. Rees was penalised for tripping McNaughton. Owen, in clearing the kick, sent across the goal, and Lennard took

Rowe centred well to Lennard, who levelled the score with a rising shot, giving Bower no chance. Gibson was injured, Scott taking his place.

In the second half Cessnock tried hard, but their shooting was poor.

Lennard, who is usually a crack shot, missed some splendid openings.

Craig, almost scored; he put a shot in which beat Hannah, and hit the post. But immediately he received again, and from Wells he kicked up against Hannah who had dived at his feet, the ball screwing into the net. Cessnock tried hard for the equaliser, but

West Wallsend visited Weston on June 9th, to play a benefit for the widow and family of the late William Lambert, who was one of the best known Soccer footballers in the Commonwealth a couple of seasons ago, and who was killed in "the pit." A large crowd turned out at the Homestead to witness the match.

In the first half Erickson scored for West Wallsend, and soon after half-time C. Coutts increased the lead, and near the finish Gilmore converted a penalty against C. Coutts for hands. The final score was: West Wallsend 2, Weston 1.

Islington visited Muswellbrook, and succeeded in defeating the Brook by 3 goals to one, before a large attendance. Kempster, Horne and Hall for the winners, and Scotty Campbell for the losers were the scorers.

New Lambton and Weston will play their Gardiner Cup game on the Tramway. The last match was not finished on account of darkness. Weston will depend on their usual defence. In New Lambton's team, however, "Butcher" Hetherington takes Phil Jordan's place between the sticks, Phil being away on holidays. Ted Spruce is again changed, this time to right back. Podge Oughton goes centre forward in place of Mick Davis, who is emergency. Robby Wilson fills the outside left berth, and the remainder are in their usual positions. I do not think that the alteration will improve the Rocks, and they may receive the K.O. from the Geordies.

The early game will be also a Gardiner Cup, between Mayfield and Kurri. Mayfield defeated Kurri last week in the Ellis Cup, and are already wondering if they will be successful in drawing a Sydney team in round 3, their only alteration being Jimmy Frew in the centre forward vice G. Bucklow; in the Kurri team, however, a number of alterations have been made. McNab is changed to back, and Brown is advanced to outside left. The halves are also altered. Despite these alterations I expect Mayfield to do the hat trick.

KERR CUP AND SHERWIN WILLIAMS CUP

Twenty-four entries for the Sherwin Williams Cup have been received, and contain the following teams:—Minmi, Cardiff, Teralba, Barnsley, Swansea, Maesspas, New Lambton A and B, Young Wallsend, Kia Ora, Broadmeadow, Hamilton, Holmesville No. 1 and 2, Adamstown, Wakefield, Merewether, Rovers, Boolaroo 3rd and 4th, Dudley, West Wallsend, Jesmond, and Islington.

For the Kerr Cup, eleven teams entered, and are as follows:—Kearsley, Weston No. 1 and 2, Wallsend, West Wallsend, Adamstown, New Lambton, Mayfield, Neath, Cessnock, Kurri.

The draw will be made at this week's meeting, and a start will be made immediately.

The protest lodged by Young Wallsend against four Kia Ora players was dismissed, the four under 16 boys being eligible. Birth certificates were produced, and the points will stand for Kia Ora. The Association retained the protest fee, and the cost of certificates has been applied for.

UNDER 18 GRADE COMPETITION

On account of so many forfeits in the B Division of this competition, and the short time that the competition has been going, it was decided that the three leading teams in each division be placed together, and play one round, the leader on points to take the Cup, and the two leaders play off in the final, winner to receive the trophies.

All teams please note that matches are to be played on Monday, June 23rd.

SOUTH SYDNEY Yv. EAST SUBURBS.

This fixture provided perhaps the most exciting contest seen on Centennial this season. Easts went off at a great rate, being one goal up within a few minutes of the start. Play was very fast, each goal having narrow escapes, just before half time East got another goal, the South's goalie having no chance with the shot, naturally Easts were delighted, but their triumph was short lived, twenty minutes after crossing over Wyatt put in a great shot which had the Easts goalie well beaten. With fifteen to go, a good movement by Cooper put Darwin on the move, working his way into goal, and putting a ground pass to Wyatt, the same player made no mistake, and brought the equalising goal. This put new life into Souths, who had been playing good and hard football. Darwin slipping round a defender, who was in the act of clearing, scored a fine winning goal. In the second half Souths struck one as being quite a great side, and far superior to what their record in

Allison, the South's custodian, was brilliant, also Hughon the centre half.

A rep. player contributes the following lines which he just dashed off during a brief respite from the social activities of the Queensland trip. (By the way, have you ever heard the story about the unkind editor who, when the poet submitted his effort, exclaimed, "Take it away, its like an escape of gas." "W-why," gasped the poet, "What's the matter with it?" "There's something wrong with the metre," roared the Editor).

There was one in the team named Andy,

Who knocked the Canadians bandy,

He stuck out his chest When selected as best, And the cup he received came in handy.

For after the game had concluded, We chose a position secluded, With no worry of jerseys and breeches,

Old Nick gave some wonderful speeches,

Without any boast, he's the boy for a toast,

Says Judy and Dave from the Coast,

The former said, "Now look here, boys,

There are two who do make a noise,

And you can bet that our Dave soon will

Be residing at Bellevue Hill.

Down the stairs where someone had fallen,

Came our little full back, Franky Gallen,

That day he had played a great game,

So we thought we would treat him the same,

But the toast of the genial Jim,

Sounded quite rotten to him,

So away in the upstairs hall,

We all wrote on his gift—a ball—

This may sound a jumble to readers, but, believe me, we had a wonderful time, and if ever you get the chance to hear Australia's goalkeeper make a speech don't miss it!

Snowy Baker's Unfailing Liniment

A Boon to
Soccer Players

A bottle should be in every player's kit; it is invaluable for easing pain, reducing inflaming and stiffness of the muscles and joints. Use it both when training and after every game. Apply the liniment immediately after the shower, and rub it in all over the body, and it will greatly minimise the inconvenience and pains that are almost certain to arise from exertion.

SNOWY BAKER'S LINIMENT is used by leading Scullers, Footballers, Cricketers, and Athletic Clubs.

Protestant Churches Association

AN EXPLANATION.

This is a Soccer Football Association. This statement is made because it is just possible that some people, after hearing the result of the rep. games, may think it is a cricket association. On Saturday last we half covered ourselves with disgrace, while at Canterbury the job was completed. Both players and officials want to take a tumble, pull themselves, and endeavour to retrieve the Association's honor. Enough goals have been scored against the Churches to last them a life time. The team to meet St. George on 23rd June will not be selected until after the match on 21st. No player should leave Wardell Road on this date until the rep. team has been made public.

Those players who failed to keep their appointments last Saturday and Monday will have to toe the carpet on Tuesday next, and can expect some pretty good penalties.

There were no outstanding features in the games on Saturday. Lakemba Congs. had a very lucky victory on Saturday against St. Clements.

A rather rough and tumble was staged at 3.15 at Erskineville. Alex. Congs. were very free with their advice to the referee. At any rate both teams are on the carpet next Tuesday.

As predicted, All Souls and Austens F.C. drew 3—3. Fivedock Meth. would do well to save up and buy some jerseys. They will find that the fines for incorrect dress will be pretty heavy.

An Apology.

An apology is due to P. Neilson, of St. Pauls, for the mention made of him last week. It should have read Windsor, of Ryde Meth.

Corner Flags.

Some teams still persist in not carrying flags. We'll see who'll get tired first, them or us.

E. Buchanan.

E. Buchanan, of St. Johns Bal. B, was ordered off the field last week for language, but did not

will be presented. Tickets, 2/—, plus tax, and 1/6, plus tax.

After playing full time this game resulted in a draw, and they played an extra five minutes each way; it was not till just on time that the game was won, and then only by the odd corner.

The outstanding performance in the Athletic events was Linsley in the 100, grade championship,

MR. G. K. MARTIN.

Mr. G. K. Martin, well known by all Soccer men, is having a run of very hard luck indeed. While riding his motor cycle through the city one day last week he collided with a motor lorry, and is at present in hospital suffering from concussion of the brain. It is hoped by all that he will soon be about again. Medical advice is that G. K. should rest in hospital for about a month, but he himself desires to be up and doing again. Two days prior to his own mishap his eldest son also met with a painful accident.

DID YOU KNOW THAT.

The New South Wales v Queensland Test match will be played as early match to the Canadian v Australian third Test match, on the Royal Agricultural Show Ground, on the 23rd June (the holiday).

Balgownie reckon they have a great chance in the Gardiner Cup this year, with three international forwards in the vanguard.

Tasmania are very anxious to visit New South Wales, and the N.S. Wales Council has deferred consideration of the matter for a month.

Tasmania possesses at least three class footballers in Faulkner (left full back), Norman (centre half), and L. Honeysett (inside right). The latter is the Hon. Secretary of the Tasmanian Association, and is of the family of Honeysetts that have been the mainstay of the game in the "spec" for a number of years.

Right full back Cameron, of South Australia, who represented Australia against the Chinese in the first Test match last year, is on the selection committee in South Australia this year.

The St. George

On Monday, at the St. George Sports Ground, over 1000 people watched three most interesting matches. In the first event, St. George C Grade defeated Kogarah C, by 2 goals to nil—Jennings scored. The most disappointing game was in the Association Cup, when Granville District easily accounted for St. George Association by 4 goals to 0—(Ritchie 2, Adamson and Hammond scored). The defeat of St. George Association was through lack of understanding and organisation. This may inspire more enthusiasm in the selectors to pick a more representative team than played against the Metropolitan and Granville.

St. George District Team.

In the late match St. George, who was handicapped with the loss of Weekes, their speedy forward (who was unable to play), and a persistent goal-scorer, and R. Chiswell, who unfortunately stood down with a badly cut eye sustained at Ibrox Park last Saturday. However, St. George was lucky in only drawing with West Sydney, who are a polished lot of Soccer footballers. They played a hard game throughout. It is a peculiar coincidence that last season West Sydney were the only team to take any points from St. George, and they are the first to take a point from St. George this season.

On Saturday last St. George were fortunate to beat Leichhardt at Ibrox Park by 3 goals to 1. Leichhardt's goal being the result of a penalty kick.

The splendid career of the St. George team is to be admired. They were not beaten in Second Grade last season, and up to date in first grade this season have only lost one point. They will not be in action to-morrow owing to the second Test at the Agricultural Ground—Canada v. Australia—but next Saturday they play Pyrmont Rangers at Wentworth Park Oval at 1.45. On Monday, June 23rd, Prince of Wales Birthday, they are drawn to play Pyrmont First Grade at the St. George Sports Ground, at 11 o'clock in the morning, to give

ANSWERS TO CORRESPONDENTS.

C.T.: No! We have not heard that Gladstones contemplate changing their name to Tomstones. Hope is not dead yet. Last year one leading Sydney sporting paper referred to them as galstones.

Forward: We are afraid that your suggestion re wireless to enable the players to hear the advice of the grandstand critic is a little beyond us; send in again in 1959.

THE METROPOLITAN JUNIORS.

Association Cup Matches.

Metropolis played St. George in the Association Cup match on Saturday, the 7th June, at Primrose Park, and after an uninteresting game finished level, with the scores 1—1. S. Jones scored for Metrop., and Storey for St. Geo. The Metrop. players played far below their true form, with the exception of G. Froome, who was very safe at left back, and was adjudged the best player on the Metrop. side; he was closely followed by United Juniors' outside right, T. Gilbert, who was the pick of the forwards.

Another Association Cup game took place at Primrose Park on Monday, the 9th, between Metrop. and Ryde, when the Metrop. selectors saw fit only to make two alterations to their Saturday team, S. Grey taking the place of S. Morrison at right back, and R. Bennett taking the centre forward position, in place of W. Anderson, who was moved to inside right. This game was one of the best ever staged on Primrose Park, being interesting and fast from the kick off till the final whistle, and as on the Saturday the Metrops. played another draw, the score 2—2.

On the whole the Metrops. were the better team, always dangerous, but poor shooting, and over anxiousness spoilt many movements, also the solid defence put up by the Ryde backs and goalkeeper with the right back, the star of the three.

Midway in the first half Ryde opened their account with a beautiful shot by the centre half, giving the opposing goalkeeper no chance to effect a save. On changing ends Metrop. still had the best of play, but could not finalise, and within 15 minutes of time had the misfortune to lose E. Sarchfield, the inside left; just afterwards Ryde broke away and scored their second goal making the score

It is with regret that we have to inform Soccer players and patrons that E. E. Sarchfield (late of Granville Seniors), and now playing for United Juniors) had the misfortune to meet with an accident, his jaw being fractured.

A MISPRINT.

Club Secretaries please note a misprint in the Association Rule Books, viz.,—

Rule 5 (a) page 12, should read:—

No player who has played more than two senior games (first or second grade) in any one season shall be eligible to play in these competitions.

MEDAL DONATED.

It is with pleasure that we have to report that Mr. E. D. Jones, the Treasurer of the M.J.S.F.A., has donated a medal for the best player in the Inter-Association matches. The system adopted to determine the winner has been decided upon as follows:—The best player in each match receives one point, and the one with the most number of points at the conclusion of these matches is declared the winner.

The point for the match against St. George went to G. Froome, who played left back.

All fixtures are suspended today on account of the Test match.

The Association Cup Competition. Sheffield Wednesday v. Leicester City. The players of Leicester City F.C., who took part in this match censured for their conduct. The club ordered to display in its dressing room for one month the following resolution of the Council of 17th December, 1923:—

"A player may enquire from a referee as to his decision, but is not entitled by word or action to show dissent from any such decision.

"A referee is required to treat the breach of this instruction as ungentlemanly behaviour."

—"The Council of the Football Association places on record its view that the action of a player in preventing the scoring of a goal by a deliberate infringement of the laws of the game is emphatically contrary to the spirit of the game, is most reprehensible, and certain to bring the game into disrepute."

FOOTBALLERS' FADS.

Most footballers have their superstitions, particularly as to what they wear when playing.

If a player, while hastily dressing for the match, tries to put a boot on the wrong foot, he considers it to be a good omen. But if he should break a bootlace just before the game, disaster is likely to overtake him.

To go on to the field clad in borrowed boots or any borrowed article of clothing means that the wearer's team will suffer defeat.

In support of these superstitions is at least one story of a well-known player who fell and broke his leg. A fortnight later another member of the same team had a similar accident, and later on it was found that they had both worn the same pair of borrowed boots.

The club committee at once burnt the ill-omened footwear, and there were no more accidents.

Some years ago, when the North Forest team arrived in Liverpool to play Everton for the English Cup, they passed a funeral procession of four coaches on the way to the ground.

Some of the players regarded this as an ill omen. At all events they lost the match by 4—0.

The following year, when they again went to Liverpool to meet the same rivals, another funeral was encountered. This time there were six coaches, and Notts Forest lost by six goals.

The Granville Association.

All matches in this area have been suspended to-day on account of the Test being played.

It is expected that a train load will go down from here to see the game.

Auburn United Juniors travelled to Blackheath and Richmond on the holiday, and both teams report a fine time. The game on the mountains ended in favor of A team has also been formed at Springwood, and reports are satisfactory as to the progress of the game up there.

The sixth round in the Juvenile Grade was disposed of last weekend, and the boys continue to show good form.

United A met the Guildford Rangers at Granville Park, and won a good game in spite of the heavy wind by 2—0.

United B team kept on its winning career by downing Lidcombe 4—0.

Kewpies and Parramatta United met on the historic park, and Kewpies won a good game 1—0.

In the Juniors, United B suffered a reverse at the hands of Auburn to the tune of 8—2. Degs thus came a thud in this grade. Wish we had a few more Degs. all the same.

To manage four teams is something to be proud of.

Two Blues and the Merry Farmers from Carlingford had 90 minutes battle, and the boys got the Blues, because the Blues got all the goals—5 of them.

Lidcombe and Advance made some progress, and Advance progressed. The Stonemasons chipped in late.

In the All-Age stakes Merrylands at last broke the ice.

They met the Kewpies at Granville Park, and ran out winners by the odd goal in 3. Kewpies scored right on time. Better late than never, says Kewp.

The fast improving English Electrics met Auburn at Clyde in the early match. E.E. were too heavy for the clever Auburn boys, and won 4—1.

We congratulate Manager Neave on the good progress being made by his team of enthusiastic boys.

In the Senior Division Babcock and Lidcombe failed to agree.

Parramatta district made a mistake with Advance, and won a fair game 5—0.

In the Churches, Mission knocked one of the spikes off the Thistle, and did so right at bell time. Mission 1, Thistle 0.

The prospective second year premiers made no bones about the treatment of the Saints.

In spite of the fact that Robb was playing the wag from Wentworth Park, Congs. A won 2—0.

Fred says Congs. were blooming lucky to win. Maybe.

The little Congs. and Baptists agreed to share a sort of co-operative business, equal shares, 2—2.

With an array of trumpets Manager Henry led his stalwarts from the Protestant Churches to Clyde Oval to meet the defenders of this area.

After Johnny had snapped off for the locals, the game resolved itself into a procession. When Keith Townsend gave the first blast on his fog horn, we had penetrated the defence ten times and trooped off to get ready for the attack on St. George on the holiday.

Billy Allerton was as pleased as punch, and said St. George would be captured. He was right, too. His champions won a very good game 4—0.

The newest of all cups looks like coming this way.

Our record to date is played won 2, scored 14 goals to 0.

The holiday attraction at Clyde was only moderately attended.

In the early fixture Carlingford and Lidcombe Juniors put up a ding-dong battle. The result in doubt right till the end. Farmers won a great game 2—1.

The late match was Auburn Juniors and Lidcombe District. For a time honors were even, the one-backs eventually won. Lidcombe boys down, and ran winners 5—0.

It is very gratifying to find that a first grade match will probably be played at Clyde every Sunday.

GIRLS AND FOOTBALL.

There are two classes of girl—the one that understands football and the other.

Both can be equally distressing to her unfortunate escort; the former squeals and digs her elbows into a fellow's ribs, or pounds his knee, black and blue when showing her enthusiastic appreciation of the fine points of the game; she will even shriek, "Go on Harry!" and argue, with one over rules, a sensitive fellow can't stand it, she keeps him on pins and needles about her audibly spoken views on the ref's decision on off side. She knows the complexities to such a degree of accuracy that she makes one giddy; she could show the selectors points in picking rep. teams.

She spills a five bob box of chocolates all over the grandstand will draw the wrath of the man in front by stabbing him in the backbone with her umbrella, or wiping her shoes over his best suit, and will exclaim, "Oh, George, where's my bag!" and a fellow will miss a good stunt grovelling on the floor for her gloves, her bag, her handkerchief; her powder-puff, her fur, all of which she sheds in applauding. She will talk about it all the way home in the tram, and remembers everything that happened at the match, and the match before that, and the one before that. Oh, she loves football matches—that's Gwendoline.

Then there's there other class, Josephine—she doesn't know a goal post from a corner flag. She is aloof "above football," not even the great Cartwright or the superb Henderson are able to make her blink an eyelash. She has watched Tommy Thompson in a glorious sprint put in a perfect centre, thereby causing the winning goal to be scored, amid the thunderous, clapping and roaring of the delighted multitude, and when asked what she thought of it she murmured, "Isn't he nice looking!" She will pick out the most useless idiot as the best player, because she likes the shape of his legs or the way he brushes his hair and has nothing but cold contempt for the excited barracker. Gwendoline she considers is a mere person. If she claps it is for the side with the prettiest jerseys, or the best looking captain.
